The property

Buy a charming apartment on the outskirts of Megève: this 80 m property, located on the garden level of an old, fully renovated Savoyard farmhouse, benefits from a natural, unspoilt environment. It combines the authenticity of the old with modern comforts, in a sought-after setting.

The apartment has three bedrooms, one of which is en suite, and two practical bathrooms. The living area is both warm and functional, with a lounge, fitted kitchen and dining area. The old wood finishes reinforce the Alpine atmosphere while offering a neat, timeless style.

Outside, a private garden opens onto panoramic mountain views, ideal for relaxation and escape. Calm, character and nature define this rare property on the market.

A great opportunity, ideal for a second home or quality rental investment in the immediate city center of Megève.
