The property

In the Mont d'Arbois sector of Megève, Chalet Ottawa sits at the foot of the slopes, a few minutes from the village center and next to the Four Seasons resort. The location blends immediate ski access with the calm of a residential area.

With 780 m
en-suite bedrooms accommodating 14 people. The layout provides genuine privacy for large groups: each floor feels self-contained, so families or friends can share the house without being on top of one another.

The indoor heated pool is large enough for swimming laps, and a full spa includes sauna, hammam, and jacuzzi. A cinema room and a well-equipped gym complete the leisure spaces, making it easy to alternate between sport, relaxation, and entertainment without leaving the property.

The rooftop terrace is the real heart of the house: a quiet spot to watch the mountains after skiing, while the vast, bright living room with its fireplace stays warm and convivial. Ottawa is designed for days that move naturally from slopes to pool to dinner in the village and back to the terrace for a nightcap.

We would choose Ottawa for a family reunion or a group of friends who want ski-in/ski-out conveni...
