The property

For sale in Megève, in the highly sought-after Rochebrune sector, this traditional 250 m
is only a few minutes from the village center. Set on a plot of over 2,600 m
unspoilt environment.

This confidential chalet offers four bedrooms, including two suites, cleverly arranged to welcome family and guests in a warm and intimate atmosphere. The typical Savoyard architecture is enhanced by exposed beams, noble materials and large windows facing the mountains.

The living room, with fireplace, opens onto a cathedral dining room, while the fully-equipped kitchen enjoys panoramic views of the mountains and the village of Megève. Three bathrooms complete the ensemble, as does a relaxation area with hammam, ideal for prolonging days on the slopes.

This rare property epitomizes the art of mountain living: authenticity, comfort and an exceptional location both ski in/ski out and close to the ski lifts, shops and Megève entertainment. An ideal chalet for a second or main residence.
