the local market.

Ideally located just a few minutes' walk from the village center and close to the ski lifts, this builder's plot offers the possibility of building one or two prestigious chalets, as you wish. Unobstructed views, plenty of sunshine and a residential setting complete this exceptional property.

Given the extreme scarcity of building land in Megève, this plot of land represents a sure asset, perfectly suited to a high-end primary or secondary residence project, or to a targeted real estate operation.
