The property

With 5 en-suite bedrooms, a private hammam, and expansive living spaces, it embodies the discreet luxury of a mountain escape in the heart of the Alps.

Flooded with natural light, the living room opens onto a south-facing terrace offering breathtaking views of the resort and surrounding slopes. Evenings are best spent gathered around the fireplace, sharing special moments in a warm, softly lit atmosphere.

The interior design is a refined blend of aged wood and contemporary lines, creating a space that feels both sophisticated and inviting. Each bedroom comes with its own bathroom and generous storage, ensuring privacy and comfort for all.

Balconies, accessible from the living area and several bedrooms, extend the interior outward and bring the mountain closer. Any time of day, the sweeping views and luminous skies of Val d'Isère offer a setting like no other — between snow, sky, and sunlight.

Best View is the promise of an elevated mountain experience, where exceptional panoramas, high-end amenities, and timeless elegance come together in perfect harmony.
