

LeCinq

Val d'Isère, French Alps

8 Travelers • 3 bedrooms • 2 bathrooms

The property

Located in the exclusive Le Parc 1963 residence on the resort's main avenue, Le Cinq offers a rare blend of modern comfort and alpine sophistication. With 111 m² of thoughtfully designed space, it welcomes up to eight guests in a warm, elegant setting. Just steps from the slopes, shops, and ski schools, its location is among the most sought-after in Val d'Isère.

The spacious living area opens onto a sun-drenched terrace with views of the surrounding peaks. The open-plan, fully equipped kitchen extends the conviviality of the lounge. The interior design combines alpine refinement with artistic flair: modern artworks, noble materials, and subtle lighting create a soothing and inspiring atmosphere.

The sleeping area features a master suite with private bathroom, a second double bedroom, and a children's room with two bunk beds (sleeping four). A second bathroom completes the layout.

Guests enjoy access to a stylish ski room with boot warmers and a modern fitness room.
