

Les Anemones

Val d'Isère, French Alps

8 Travelers • 4 bedrooms • 3 bathrooms

The property

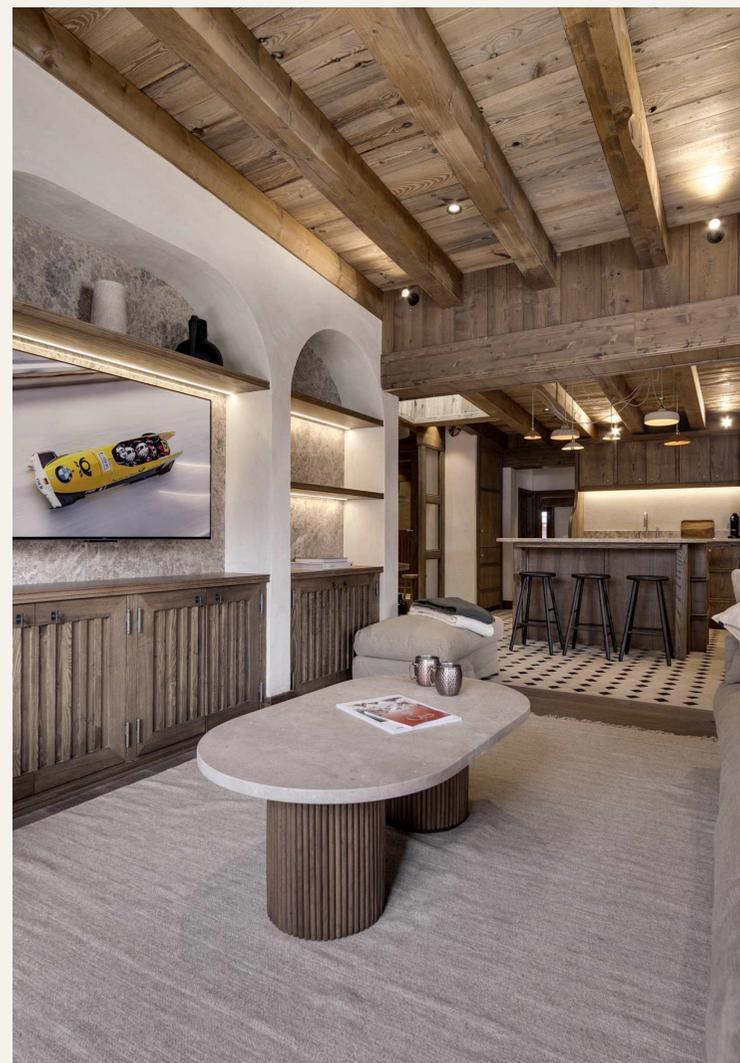

Fully renovated in 2024, it beautifully combines alpine elegance with modern comfort, with great attention given to materials and details.

The 3 double bedrooms, each with its own bathroom, and an additional bunk room offer optimal comfort for all guests. The spacious living area, filled with natural light, is ideal for relaxing — whether gathered in the lounge or around the open kitchen. With pale woods, natural stone, and soft textures, the ambiance is soothing and serene, perfect for unwinding and slowing down.

From the large bay windows, the view stretches out over the slopes. The terrace — and several of the bedrooms — open onto balconies that offer a true immersion in the spirit of the resort, with alpine peaks and village lights as a backdrop.

Les Anémones is the perfect address to enjoy the lively heart of Val d'Isère, while retreating each evening to the intimate comfort of a home designed like a cocoon.
