The property

The Neige apartment is a retreat of simplicity and elegance, located in the heart of Val-d'Isère. Positioned directly facing the slopes, just a few steps from the shops and the ski school, it offers an ideal location to fully experience the mountain, from the first morning turns to cozy evening moments.

The interior subtly blends light wood, natural materials, and contemporary lines. The living room, bathed in natural light, opens onto a terrace with unobstructed views of the snow-covered peaks. The open kitchen invites shared moments in a soft and alpine atmosphere.

For sleeping arrangements, there is a double bedroom with an en-suite bathroom, and a mountain nook with bunk beds made of old wood, designed like a cozy little cabin for children.

Functional and warm, the Neige apartment is the perfect spot for your mountain getaway.
