The property

Nestled in the authentic La Daille neighborhood, apartment Ourson enjoys a rare location facing the slopes, with direct access to the Val d'Isère ski area. Recently built, this 80 m² apartment perfectly blends the charm of wood, the elegance of marble, and the warmth of natural light to create a contemporary yet inviting atmosphere.

Designed to comfortably host up to 6 guests, the property includes three bedrooms: a master suite with private bathroom and views of the slopes, a second double bedroom, and a mountain-style bunk room connected by a shared shower room.

The bright living area features a modern open-plan kitchen, a cozy dining nook, and a welcoming lounge with a wood-burning fireplace. Pops of color in the decor bring energy to the natural tones, creating a space that is both stylish and comfortable. A private terrace offers peaceful mountain views and an ideal sun exposure.
