The property

Set in Mont d'Arbois, one of Megève's most sought-after mountain districts, Apartment Avalanche enjoys a setting where alpine scenery and skiing are part of everyday life. From the sun-filled terraces, views stretch across the surrounding peaks, while direct access to the ski area makes it easy to spend the day on the slopes.

Mornings often begin with skis on before leaving the residence, while afternoons naturally flow into relaxed moments by the fireplace after storing equipment in the ski room. Whether enjoying lunch on the terrace, taking in the mountain views or gathering for an evening with family and friends, life here revolves around the outdoors.

Designed to accommodate up to ten guests, the apartment combines a welcoming lounge with fireplace, an open kitchen and a dining area that encourages shared moments throughout the stay. Three en-suite double bedrooms and an en-suite dormitory provide a comfortable balance between togetherness and privacy.

With skiing at your doorstep and the landscapes of Mont d'Arbois all around, Apartment Avalanche offers an effortless way to experience Megève throughout the winter season.
