The property

Located in the heart of Megève, along one of the village's most desirable streets, Apartment Canada offers the freedom to enjoy the resort entirely on foot. Boutiques, restaurants, village life and the Chamois lifts are all within easy reach, creating a stay where everything feels effortless.

Mornings begin on the south-facing terrace as the village gradually comes to life. During the winter season, ski days flow naturally into relaxed evenings by the fireplace. Daily housekeeping and breakfast service add to the experience, allowing guests to focus entirely on enjoying their time in Megève.

Spanning nearly 195 sqm, including an impressive 95 sqm living area, the apartment comfortably accommodates up to eight guests. The fireplace lounge, dining area and open kitchen create a welcoming atmosphere where noble wood finishes meet contemporary design. Four bedrooms, including a spacious master suite with two bathrooms, provide privacy and comfort throughout the stay.

Combining village life, skiing convenience and generous living spaces, Apartment Canada offers a refined way to experience Megève with family or friends.
