The property

Chalet Adagio spans four beautifully designed floors, with a serene open plan top level featuring large windows, a plush sofa corner, a central fireplace, a banquet style dining area and a fully equipped modern kitchen with island seating. A balcony extends from the living room, ideal for an alfresco drink after a day on the slopes.

The lower floor is dedicated to wellness, complete with an inviting hot tub and a soothing sauna for post ski relaxation.

Six refined bedrooms blend contemporary design with reclaimed wood, sleeping 10–12 guests in comfort. Five double rooms and one bunk room all include en suite facilities, with most offering outdoor access.

Conveniences include private parking with EV charger, a heated ski boot room, laundry facilities and an elevator serving all levels.

...
