The property

Spread across four floors, Chalet Allegro features a bright open plan top level with reclaimed wood, soft neutral tones and wide mountain view windows. The living area includes a generous sofa corner, a central fireplace, a large dining table and a fully equipped modern kitchen with a breakfast bar. Two terraces extend from either side, ideal for a quiet drink after skiing.

The lower floor is dedicated to relaxation, with a sunken hot tub, a massage bed and a shower for easy post ski recovery.

Six elegant bedrooms are split between the ground and first floors, hosting 10 adults and 2 children. Most rooms include en suite bathrooms and private balconies, while a cosy bunk room is perfect for younger guests.

Conveniences include private parking with EV charger, a ski room with boot warmers, laundry facilities and an elevator serving all levels.
