# The property

Located on the edge of Megève between Praz-sur-Arly and the surrounding ski areas, Chalet Ban Rouge offers a peaceful setting where mountain holidays naturally find their rhythm. Guests can easily reach the slopes or the village before returning to the calm atmosphere of the chalet at the end of the day.

The chalet's defining feature is its impressive 93 sqm living space, flooded with natural light through large picture windows that frame the surrounding mountains. The fireplace lounge, dining area and open kitchen create an inviting space where everyone naturally comes together after a day outdoors.

All bedrooms have been thoughtfully arranged on the same floor, making the chalet particularly practical for families. Three double bedrooms, including one with a bathtub and another with a private balcony, together with a four-bed dormitory comfortably accommodate up to ten guests.

A sunny 30 sqm terrace, two private garages and quick access to Megève complete a property designed to make mountain holidays as enjoyable as they are effortless.
