The property

Set between Praz-sur-Arly and the entrance to Megève, Chalet Bisanne offers a relaxed mountain setting just minutes from the area's ski slopes, restaurants and village life. Its location makes it easy to enjoy everything the region has to offer while returning each evening to a quieter atmosphere.

Inside, the chalet has been designed around a welcoming 60 sqm living area centred on the fireplace. The open kitchen naturally connects with the lounge and dining area, creating a comfortable space where everyone can gather after a day outdoors. Large openings lead directly onto the terrace, extending the living space towards the surrounding mountains.

With a total surface area of 147 sqm, the chalet comfortably accommodates up to eight guests. Two double bedrooms, a bedroom with four single beds and three bathrooms provide a practical layout that works equally well for families or groups of friends travelling together.

A private garage, a nearby shuttle stop and quick access to both Megève and Praz-sur-Arly complete a property designed for easy and enjoyable mountain holidays.
