## The property

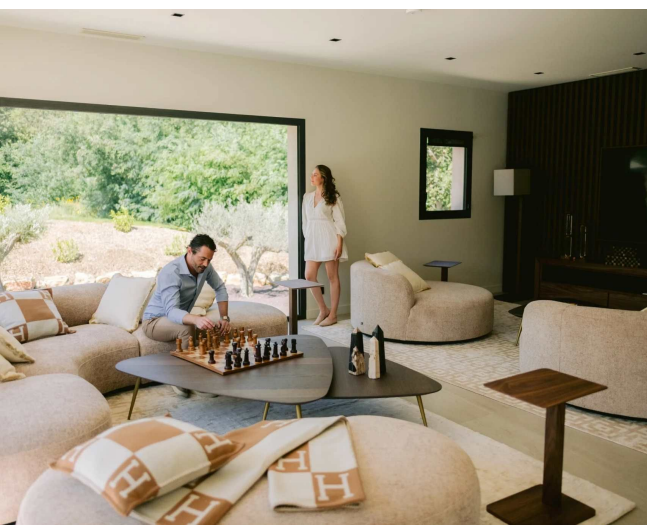

This exceptional property seduces with its contemporary design and resolutely Mediterranean lifestyle, nestled in a preserved natural environment between umbrella pines and delicate escapes towards the sea.

Behind its sober and elegant lines unveils a villa designed to enhance every moment of relaxation and sharing. The interior architecture favors generous volumes and natural light, thanks to vast bay windows that erase the boundaries between inside and outside. The stay, both refined and friendly, is organized around a spectacular reception table, promise of unforgettable meals with family or friends. The decoration combines warm wood and soft materials, evoking the hushed atmosphere of the most beautiful hotel suites.

Villa Isabella has five elegant bedrooms, each with its own private bathroom, offering high-end accommodation for up to 10 people. Each sleeping area envelops its guests in absolute comfort, with carefully selected bed linen and an atmosphere conducive to rest and privacy.

Outside, the villa opens onto a large terrace with heated pool, surrounded by sunbathing and lounge areas dedicated to relaxation under the sun of the French Riviera. A shaded dining area and an upscale barbecue invite you to fully savor the art ...
