

Chalet Boucle

Megève, French Alps

12 Travelers • 6 bedrooms • 5 bathrooms

The property

Nestled in a natural setting overlooking the village of Rochebrune, Chalet Boucle pays tribute to the iconic architecture of Henri-Jacques Le Même, a leading figure in timeless alpine style. Completely renovated with noble materials, this exceptional property blends alpine tradition with modernity, showcasing remarkable attention to detail. The use of light wood, present on the floors, walls, and ceilings, creates a warm and refined atmosphere.

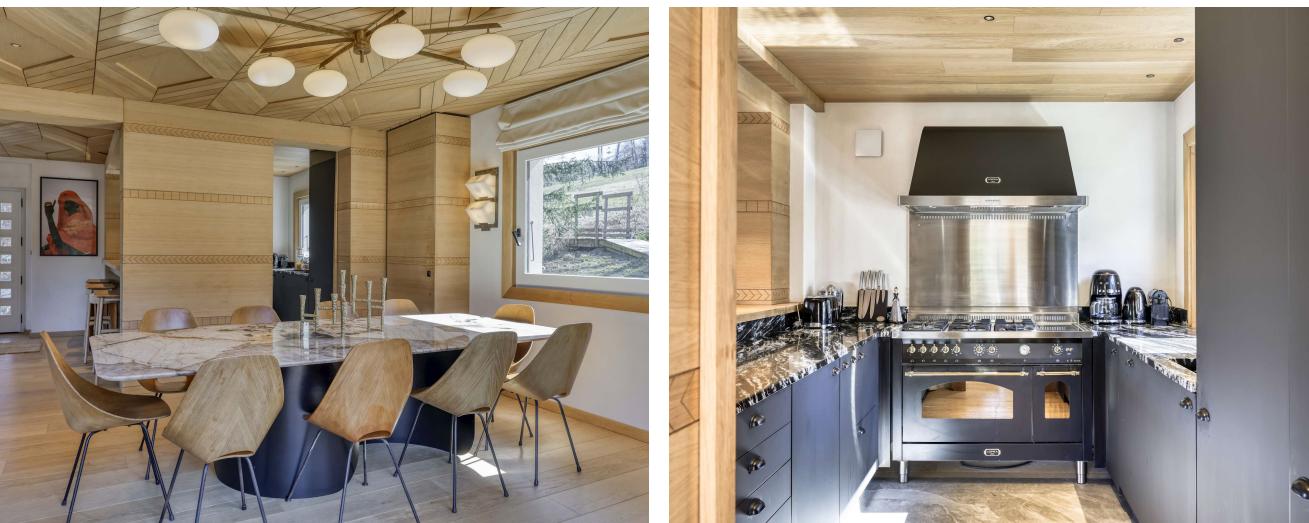

Bright and open to the outdoors, the central living area combines a spacious lounge with a fireplace, an elegant dining area, and a contemporary open kitchen, all bathed in light thanks to its south-facing orientation. The large terrace and balconies offer complete immersion in the surrounding nature.

With 6 bedrooms, including 4 double suites with bathrooms and 2 dormitories sharing a bathroom, the chalet comfortably accommodates up to 12 people. Outside, a landscaped garden, a traditional mazot, and a Nordic bath complete the experience.

Just a 10-minute walk from the center of Megève and with direct access to the slopes, Chalet Boucle promises stays where luxury meets tranquility.
