The property

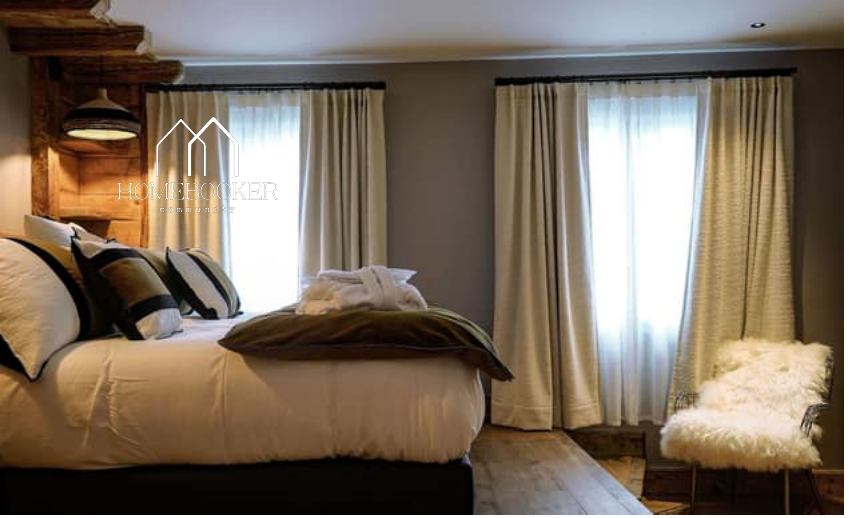

Tucked away at the edge of the forest and just a few steps from the slopes, Chalet Cahokia offers a privileged alpine setting where elegance, comfort and privacy come together. Designed as a mountain cocoon for up to 12 guests, it spans 290 m levels, combining noble materials, a soft and cosy atmosphere, and breathtaking views of the surrounding peaks.

Enjoy the fully equipped kitchen and the bright, open-plan living area leading out to a large sun-drenched terrace. At the heart of the space, a central fireplace brings family and friends together in a warm and welcoming ambiance. The five bedrooms — including a children's bunk room — each feature their own ensuite bathroom for ultimate comfort.

After a day on the slopes, the indoor swimming pool and private hammam provide the perfect space to unwind. Additional amenities include a ski room with boot warmers, private parking, and a dedicated play area for children.
