# The property

Just minutes from Megève, between the peaceful surroundings of Praz-sur-Arly and the lively atmosphere of the resort, Chalet Dent du Géant offers an ideal base for exploring the mountains. Skiing, village life and local activities are all within easy reach, while the chalet provides a quieter place to unwind at the end of the day.

The generous proportions immediately set the tone. At the heart of the chalet, a 100 sqm living area centred around the fireplace creates a natural gathering place where meals, conversations and evenings together unfold effortlessly.

Designed for larger groups, the layout combines three double bedrooms, one single bedroom and a spacious bunk room with three bunk beds, comfortably welcoming up to thirteen guests. Everyone enjoys generous shared spaces while still having their own place to retreat.

Outside, the terrace extends the living area towards the surrounding mountains. A nearby shuttle stop and two private garages make getting to and from Megève simple, allowing guests to enjoy the resort before returning to the chalet's peaceful setting.
