

Chalet des Cimes

Courchevel, French Alps

10 Travelers • 5 bedrooms • 5 bathrooms

The property

Ideally located on the prestigious Rue des Chenus, just 50 metres from the ski slopes, this exceptional property combines traditional chalet charm with unmatched refinement. Designed over three floors, it accommodates up to ten guests in five beautifully appointed bedrooms, each with its own en-suite bathroom, wardrobe, and private balcony. Natural fabrics, noble materials, and meticulous attention to detail create a warm and elegant atmosphere throughout.

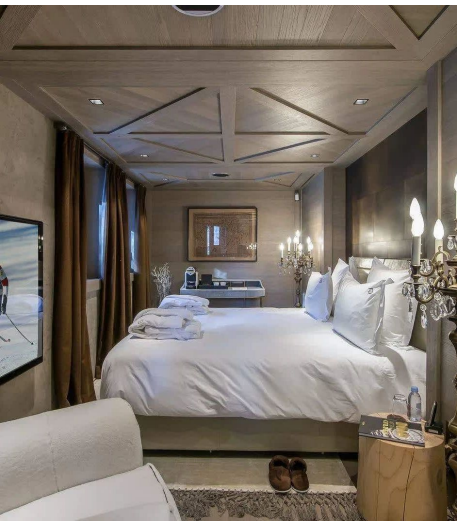

The chalet's expansive living spaces include a spectacular top-floor lounge and dining area under vaulted ceilings adorned with sparkling chandeliers, a stylish bar, and an impressive wine cellar.

Floor-to-ceiling windows open onto panoramic mountain views, while a grand fireplace framed by traditional Russian motifs invites cosy evenings after a day on the slopes.

On the wellness side, the second underground floor features a stunning 1.4-metre-deep swimming pool, sauna, hammam, ice fountain, massage room, and a fully equipped gym — perfect for relaxation and recovery after skiing or snowboarding in Les Trois Vallées.

Guests benefit from the services of a private chef and butler throughout their stay, as well as a driver to take them anywhere in the resort, from the slopes to Courc...
