The property

Chalet des Pins redefines the mountain escape with its striking architecture, vaulted ceilings, and sophisticated décor. The grand living area features designer furnishings, modern glass chandeliers, and a crackling fireplace — the perfect place to unwind after a day on the slopes. Step onto the balcony to admire the dramatic mountain views with a glass of champagne, or enjoy a cocktail at your private bar.

The chalet sleeps 14 guests in seven beautifully crafted bedrooms, each with en-suite bathrooms, AV systems, and exquisite details using reclaimed Mongolian wood. The master suite stands out for its exceptional size and dual dressing rooms, offering ultimate comfort and privacy.

Wellness and entertainment take centre stage with a 7x4 m indoor pool, sauna, cinema projection system, and a fun children's playroom with games and Lego corner. Chalet des Pins delivers the perfect balance of innovation, warmth, and alpine sophistication.
