The property

Available for seasonal rental. Ideally located at the foot of the Espace Diamant slopes, Chalet Diamond combines contemporary elegance, comfort, and functionality. Its prime location offers direct access to the ski area, while enjoying an open and sunny natural setting.

With a surface area of 1,450 sq ft on a 5,950 sq ft plot, this new and modern chalet offers well-designed spaces and refined decor. The main living area, which opens onto a south-facing terrace, consists of a bright living room with a wood-burning stove and TV, a cozy dining room, and a fully equipped kitchen. Large bay windows let in light and offer a soothing view of the surrounding mountains.

The garden level has a master suite with a dressing room, private shower room, and separate toilet. Upstairs, two double bedrooms with storage and TVs share a bathroom with a separate shower, as well as an office and relaxation area on the mezzanine.

On the practical side, the chalet has a garage with a ski rack and boot dryer, as well as a fully equipped laundry room in the basement. Every detail has been designed to combine comfort and modernity, offering a unique experience in the heart of the Alps.
