The property

Located between Praz-sur-Arly and the entrance to Megève, Chalet Dôme du Goûter enjoys a peaceful mountain setting just a few minutes from the resort's ski areas, restaurants and year-round activities. It offers the freedom to experience both villages while returning each evening to a quieter atmosphere.

Designed around togetherness, the chalet revolves around an impressive 100 sqm open-plan living space centred on the fireplace. Meals, conversations and evenings naturally unfold here, while large openings extend the living area towards the balcony and terrace, filling the interior with natural light.

The sleeping arrangements have been carefully planned for larger groups, with three double bedrooms, one single bedroom and a spacious bunk room featuring three bunk beds, comfortably accommodating up to thirteen guests. Whether travelling with extended family or a group of friends, everyone enjoys generous communal spaces alongside comfortable private rooms.

A nearby shuttle stop provides easy access to Megève throughout the stay, while the chalet's two garages allow guests to leave the car behind and simply enjoy the mountains at their own pace.
