The first floor is dedicated to an open-plan living, dining, and kitchen area, with a central island and leather stools, washed-green cabinetry, and a fireplace, opening onto two large terraces with spectacular views; one terrace features an outdoor dining table for al fresco meals. The chef-ready kitchen features a central island and wood/stone finishes; the dining area seats ten and overlooks the terraces. The upper floor houses the master suite with a private balcony, a desk, and a TV; the en-suite bathroom includes twin sinks, a large soaking tub, and a marble-tiled hammam.

Two additional twin/double bedrooms with en-suite bathrooms, balconies, marble and gold finishes complete the sleeping spaces, with one boasting a round window framing the alpine panorama. Chalet Echo offers covered parking for two cars and contemporary finishes blending timber and stone, creating a sophisticated yet cozy atmosphere; it is connected to the neighboring chalet, forming a recently built, convenient pair for groups or families seeking aligned residences.
