The property

Chalet Edelweiss is an elegant luxury chalet in Méribel, featuring an indoor pool and a large wellness area with a spa, hammam, and massage room, bar, exercise bike, and billiard table.

The cinema area offers comfortable armchairs facing the big screen for family evenings. The chalet has four double bedrooms and a children's dormitory with bunk beds for four, with a single bed in a separate area, also ideal for a nanny. On request, a staff unit with a small kitchenette, sofa bed, and bathroom is available. Other amenities include an elevator, laundry facilities, a garage, and external parking for eight cars. The ski room is spacious and equipped, with space to store skis and boot heaters and a large central table with tools for ski maintenance.

The main living area, with double-height wooden ceilings and slatted windows, opens onto the dining area with two large tables framed by light wood. A breakfast bar separates the kitchen, which gives access to balconies with breathtaking mountain views and, between rooms, the wine cellar. Additionally, a staff area with independent entrance, small kitchenette, sofa bed, and bathroom is available.
