The property

Behind its striking stone and wood façade lies an interior that perfectly balances warmth and sophistication. The décor reinterprets mountain chic with light blonde wood, soft rugs, and fur throws adding warmth and texture. Contemporary metal tables, retro armchairs, and wicker chairs create a stylish harmony between vintage charm and modern elegance.

The open-plan living and dining area invites guests to gather around the table and enjoy sweeping valley views through the floor-to-ceiling bay windows. After dinner, relax by the modern glass fireplace, sinking into one of the plush sofas as the flames dance before you.

In the morning, step straight from the chalet onto the slopes for a perfect ski start. Return in the afternoon to swim in the heated indoor pool, unwind in the sauna, or enjoy a soothing massage. As night falls, soak in the outdoor jacuzzi and watch the lights of Courchevel sparkle below. For a gourmet finale, dine at nearby La Saulire, renowned for its signature truffle pastries, a fitting close to a perfect Alpine day.
