The property

Located in the peaceful Nogentil area, Chalet Glacier offers a relaxing, green setting while being only 50 meters from the slopes and ski lifts. Its wide terraces and floor-to-ceiling windows open onto breathtaking views of the Saint-Bon valley, ideal for soaking up the alpine sun.

The chalet is spread across several perfectly designed levels. Entry is on level -2, dedicated to wellness: a superb swimming pool with massage jet shower, hammam, jacuzzi, and massage room, plus private staff quarters. On level -1, you'll find the sleeping area with a spacious master suite featuring a dressing room and terrace, a family en-suite with bunk beds for two children and terrace, and another double en-suite bedroom. The ground floor hosts a bright open-plan living space with a contemporary central fireplace, dining area, lounge with TV and library corner, along with an additional double bedroom and separate bathroom.

A housekeeper is included for daily breakfast preparation and cleaning. Additional à la carte services such as a private chef, driver, or in-chalet massages can be arranged to make your stay even more exceptional.
