The property

Set in the peaceful Mont d'Arbois area, Chalet Green enjoys a quiet residential setting close to the ski slopes and Golf du Mont d'Arbois. Entirely new, the chalet combines contemporary lines, refined materials and carefully considered lighting to create a warm atmosphere throughout.

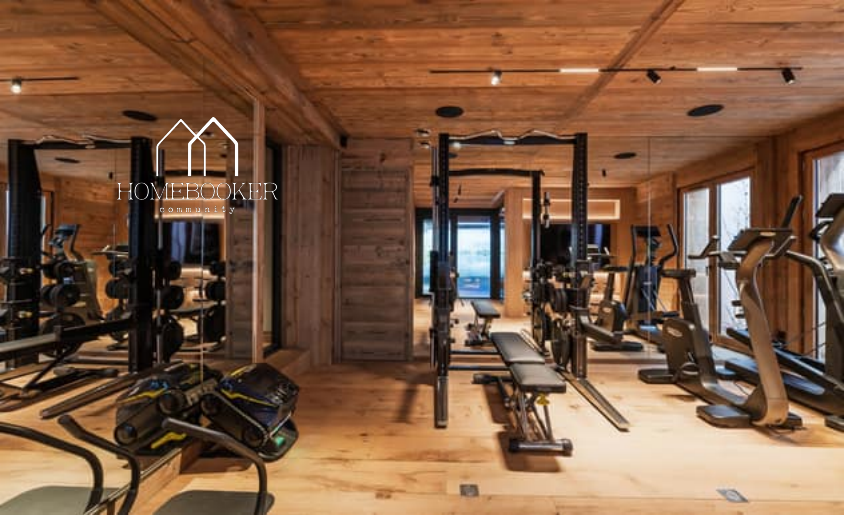

The main living area is the heart of the chalet. The lounge, dining area and open-plan kitchen are arranged around the fireplace, creating a generous space filled with natural light. The surrounding mountains remain visible from the balcony throughout the day.

Six en-suite bedrooms are spread across the ground and lower levels, including a four-person bunk room. The ground-floor bedrooms each open onto the terraces, furnished with outdoor seating and a jacuzzi overlooking the mountains.

After a day on the slopes, the pool and sauna offer a chance to unwind at the chalet, while the fitness room provides a separate space for those who want to keep active. The ski room connects directly to the spacious garage, making ski days particularly easy from start to finish.

With butler service, a sought-after Mont d'Arbois location and a warm contemporary atmosphere, Chalet Green offers an effortless way to enjoy Megè...
