The property

Located at the top of a quiet road within a hamlet of three chalets, Chalet Hearth warmly welcomes up to 14 guests in a setting that combines boutique design with period materials (mountain barn doors and ladders). This charming space offers a convivial atmosphere ideal for families and groups of friends.
The spacious living room, furnished with artisanal pieces and featuring a central stone and wood fireplace with a traditional flue, invites relaxation. The living area opens onto a dining room with a large farmhouse table seating 14, extended by a fully equipped kitchen and a bar for lively après-ski evenings.

Wellness is ensured thanks to an indoor jacuzzi surrounded by large bay windows, a large southwest-facing terrace with teak furniture and a gas barbecue, as well as a 6-person sauna housed in a log chalet with an outdoor Scandinavian fire pit. A chill-out area with TV and poufs completes the convivial spaces.

The chalet has 6 individually decorated bedrooms, including 4 on the first floor with en-suite bathrooms and flexible double or twin configurations. Two attic bedrooms, ideal for younger guests, benefit from a dedicated relaxation corner.
