The property

Chalet Héritage combines authentic alpine charm with modern comfort. With seven inviting bedrooms and generous living spaces, it accommodates up to 14 guests in a warm and traditional atmosphere. Noble wood, a stone fireplace, and alpine décor create a cosy and refined setting, ideal for family or friends on a luxury ski holiday.

Spread over four floors, the chalet offers spacious living areas. The main lounge with fireplace and dining room opens onto a wraparound balcony, perfect to enjoy the magical winter landscape. A second TV lounge provides an intimate space for relaxation.
On the ground floor, the dedicated wellness area with an indoor Jacuzzi and Hammam ensures complete relaxation after a day on the slopes.

The seven bedrooms, decorated in authentic alpine style, offer both comfort and privacy. Six double bedrooms with en-suite bathrooms, one twin interconnecting to form a family suite, and one bunk bedroom with separate WC and spa shower complete the layout.
With its prime location close to the centre and the slopes, Chalet Héritage is the perfect base to fully experience Courchevel.
