The property

A luxury chalet with a bright and refined atmosphere, blending Scandinavian-inspired décor with authentic Alpine charm. Spread over six floors served by an elevator, it offers vast living spaces ideal for families and groups.

Accommodating up to 14 guests, the chalet features 7 en-suite bedrooms, including a children's room with 4 beds. The cathedral-style living room with fireplace opens onto the snow-covered landscape through large picture windows, creating a warm and inviting atmosphere enhanced by natural materials and soft wool textures.

The chalet also boasts a superb wellness area with a 15-metre indoor swimming pool, hammam, gym, massage room and a games room. A private chef, butler and housekeeping staff are dedicated to making your stay stress-free and unforgettable. Perfectly located just 50 metres from the Plantrey chairlift, Chalet Hiver offers direct ski-in/ski-out access to Courchevel and the 3 Vallées, while being close to the resort centre, shops, restaurants and ski schools.
