The property

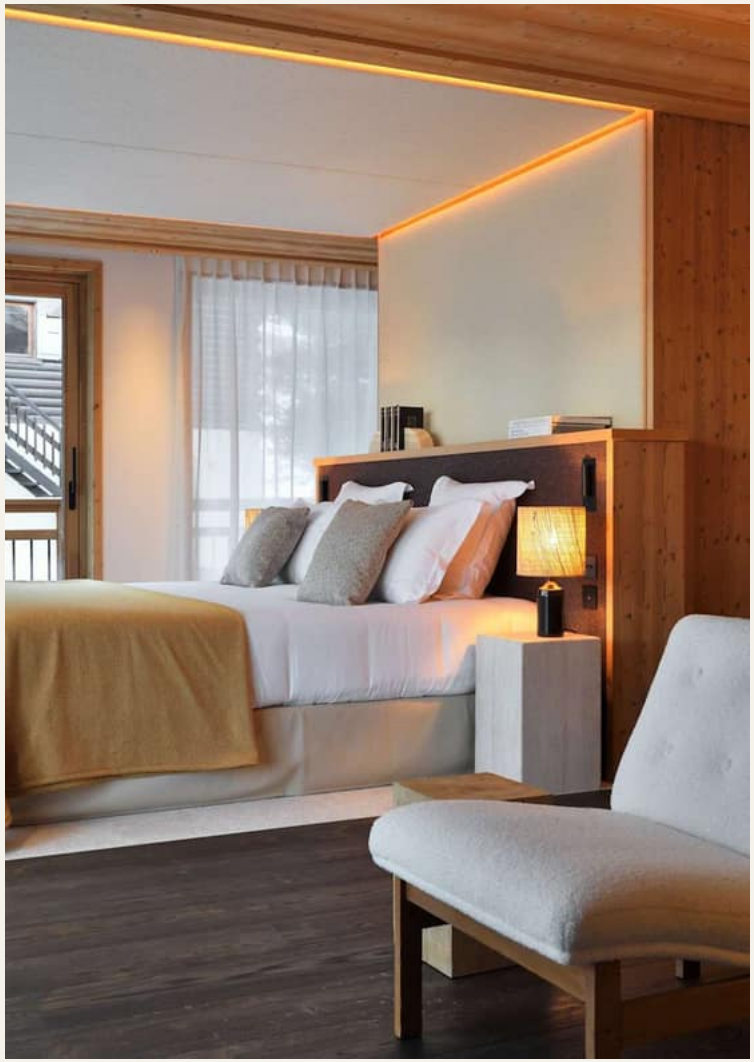

Inspired by the purity and majesty of high mountain peaks, Chalet Ibis stands out with its unique character and family-oriented features: a dedicated playroom and a fun dormitory with a slide, creating an ideal space for both children and adults.

This exceptional 430 m
children across 4 double bedrooms and a four-bed bunk room, each with its own en-suite bathroom.

The generous living area includes an open kitchen, a large dining table, a cosy lounge with a wood-burning fireplace, and a reading corner featuring a curated selection of books on nature and sports. Board games are also available, perfect for gathering the family around the fire.

Perfect for winter stays, the chalet features a ski room, ski-in access, and is located just moments from the slopes.
Pets are welcome.
