The property

Nestled in the comfort of the forest while being exposed to a breathtaking view of the Bossons glacier, the architects tried to mix all the materials used with the crude and luxurious omnipresence of Nature. The attention to detail on both sides of the Chalet Impérial was in honor of the mountain.

The Impérial chalet can accommodate up to 11 people in 4 double rooms all equipped with a private bathroom en suite and a television. There is also a dormitory of 4 beds. The master bedroom has floor-to-ceiling windows and an intelligent curtain system offering spectacular views day and night. The other bedrooms are located on the ground floor with a sauna and a living room.

On the first floor, the architects used old gray wood panels, themselves from old farms and cottages, sometimes centuries old. The interior space was created with a focus on light and mountain views. Thanks to its large bay windows, the Impérial cottage offers a breathtaking view of the Bossons glacier and Mont-Blanc, which allows you to integrate the beauty of the outdoor landscape into the interior atmosphere of the chalet.

At the end of the day, you will enjoy the last rays of sun on the terrace facing south to spend beautiful evenings après-ski. The garden integrat...
