The property

Located between Praz-sur-Arly and the entrance to Megève, Chalet Joli enjoys a peaceful mountain setting while remaining just minutes from the resort's lively atmosphere. With a shuttle stop only a short walk away, getting to the slopes or the village is effortless, allowing guests to leave the car comfortably parked in one of the chalet's two garages.

Mornings begin on the terrace overlooking the mountains before heading out to enjoy the surrounding ski areas or explore Megève. At the end of the day, everyone naturally gathers around the fireplace within the impressive 95 sqm living space, designed to bring family and friends together.

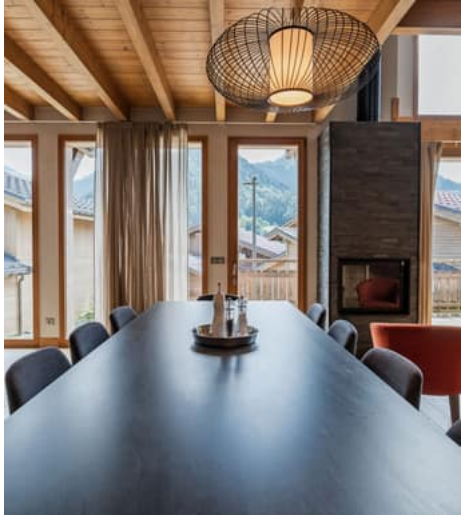

The chalet has been thoughtfully arranged across two levels, with all living areas on the ground floor and every bedroom grouped on the upper level, creating a practical layout that works particularly well for families and multi-generational stays. Terraces and balconies extend the interior spaces and keep the surrounding landscape constantly in view.

Combining easy access to both Megève and Praz-sur-Arly with generous living spaces and a welcoming atmosphere, Chalet Joli offers a relaxed way to enjoy the mountains throughout the year.
