The property

Just a few minutes from Megève, Chalet Lachat enjoys a convenient location between Praz-sur-Arly and the resort. A nearby shuttle stop makes it easy to reach the ski slopes, village boutiques and restaurants, while the chalet itself offers a peaceful setting to return to after a day in the mountains.

Designed with larger groups in mind, the chalet focuses on generous living spaces that naturally bring everyone together. Its impressive 95 sqm living area revolves around a welcoming fireplace, while the open kitchen and dining area create an easy flow for shared meals and relaxed evenings.

Outside, the terrace provides a pleasant place to enjoy the fresh mountain air, whether over breakfast or after a morning on the slopes. In winter, skiing in both Megève and Praz-sur-Arly is within easy reach before returning home to unwind in a warm and inviting atmosphere.

Accommodating up to thirteen guests across five bedrooms, Chalet Lachat is particularly well suited to extended families or groups of friends looking for comfort, space and easy access to everything the area has to offer.
