The property

Perfectly located in the heart of the Three Valleys, Chalet Le Cœur is a newly built retreat combining Alpine elegance with contemporary comfort. Crafted with noble materials, local artisanal wood and Mont-Blanc granite, it blends traditional charm with modern features such as flat-screen TVs, a Sonos sound system and high-speed Wi-Fi throughout.

Chalet Le Cœur accommodates up to 15 guests across 6 beautifully designed bedrooms. The five main suites all feature luxurious en-suite bathrooms with flexible bed configurations, while two additional rooms, including a fun dormitory, are ideal for children or friends sharing.

After a day on the slopes, unwind in the indoor swimming pool with counter-current jets, soak in the outdoor hot tub on the sunny terrace, or relax in the private sauna. Evenings can be spent by the open fireplace in the lounge or in the dedicated cinema room with a large screen. An elevator connects all levels of the chalet for maximum convenience.
