

The property

Chalet Panorama in Courchevel 1850 offers a refined blend of traditional Alpine charm and contemporary luxury. Nestled in the exclusive Nogentil area, it enjoys a prime position just 100 steps from the Pralong lift, ensuring seamless access to the pistes.

Spread across four floors connected by a private elevator, the chalet accommodates up to 10 guests in five spacious en-suite bedrooms. Each room is decorated with antique furnishings, warm fabrics and can be configured as a double or twin, with two of the top-floor bedrooms sharing a balcony overlooking the snowy slopes.

The heart of the chalet is its inviting open-plan living and dining area, complete with a stone fireplace, large windows and mountain views. A separate TV lounge provides an alternative retreat, while fresh flowers and elegant details add to the welcoming alpine atmosphere.

For wellness, the spa level features a swim-spa, sauna, shower and massage room, perfect for soothing muscles after a day on the mountain. Outside, a south-facing terrace with heated bar invites guests to enjoy après-ski gatherings against breathtaking alpine panoramas.

Guests are looked after by a dedicated team including a private manager, chef, host, daily housekeeping and an in-resort driver ...
