The property

This alpine retreat beautifully blends the authenticity of Savoyard wood with modern luxury, creating an idyllic setting for a mountain getaway.

Spanning 350 m², the chalet accommodates up to 10 guests in 5 meticulously designed bedrooms. The spacious living areas, bathed in natural light thanks to large bay windows, invite conviviality and breathtaking views of the snow-capped peaks. After a day on the slopes, unwind in the wellness area, where a jet pool and hammam offer moments of absolute relaxation.

As evening falls, the fully equipped kitchen allows for the preparation of delightful meals to be shared around the large dining table, before enjoying a cozy night by the fireplace. For an even more exclusive experience, a butler can prepare the fire while you indulge in the delights of the resort.

With its prime location and intimate atmosphere, Chalet Papillon is a true invitation to experience mountain living at its finest, where luxury meets authenticity.
