The property

Chalet Penny combines traditional alpine architecture with a chic, modern interior. Natural materials, clean lines and soft tones create an elegant atmosphere that reflects the surrounding snowy landscape.

Spread over five levels, the chalet offers eight en-suite bedrooms, including a spectacular top-floor master suite with panoramic views, private balcony, cozy lounge with fireplace, dressing room and private bathroom. A full floor is dedicated to the living spaces, featuring a large lounge, dining area, bar and open kitchen. A private chef, butler and housekeeper ensure a seamless and serene stay.

Among its standout features, Chalet Penny includes a luxurious leisure area with an infinity pool, jacuzzi, hammam and massage room. An outdoor Nordic bath offers breathtaking relaxation facing the mountains. Children will enjoy the playroom with ping-pong, table football and pinball, as well as the home cinema.

Located in the exclusive Nogentil neighbourhood, the chalet sits in a peaceful setting at the foot of the Cospillot slope, just 1,300 m from the resort centre.
