## The property

Located at the foot of the slopes in the Belvédère district, Chalet Rochebrune enjoys a dream setting facing the mountains, enhanced by expansive bay windows.

With 375 m<sup>2</sup> of space, the chalet features seven en-suite bedrooms with balconies. The second level hosts the bright day area, including a spacious living room with fireplace, a dining area and a kitchen with sleek countertops. The fully glazed gable floods the space with natural light, while the mountain-inspired décor, light woods and soft textures create a warm, homelike atmosphere.

On the ground floor, guests will find a relaxing wellness space with a sauna, massage room and cinema room. An outdoor hot tub completes the experience. The nearby slopes and Granges chairlift make the stay exceptionally convenient.

At 1550 m altitude, Courchevel Moriond is known for its sunshine and easy ski access. Chalet Rochebrune offers a direct gateway to Courchevel and the world's largest ski area, the 3 Valleys. It is also close to Aquamotion, the resort's aqualudic centre, ideal for family fun and wellness activities.
