The property

On the ground floor, you enter from the garden to the entrance hall, ski room with boot warmers, a games room, and two bedrooms: a children's room with bunk beds and an en-suite bathroom; and a double bedroom with an en-suite bathroom.

On the first floor, a spacious open-plan kitchen and dining area with a marble island, seating for eight, and a fireplace; a terrace/balcony with stunning views and an outdoor hot tub; a TV area next to the living room. On the upper floor, three main double bedrooms: one twin/double room with an en-suite bathroom and views of the slopes; a second twin/double room with an en-suite bathroom and private balcony; and the master bedroom, twin/double, with a private balcony and a large en-suite bathroom with a walk-in shower; a mezzanine on the upper level.

The chalet blends modern Alpine design with large windows for panoramas, offering privacy and space for the whole family, as well as a balcony for al fresco dining and a hot tub.
