# The property

Nestled among the snow-covered pine trees of Courchevel 1850, Chalet Sérénité perfectly embodies alpine elegance and refined tranquility.
Located in a peaceful neighborhood just steps away from the Bellecôte slope, this 280 m
comfort, privacy, and authenticity. It is the ideal address for families or groups wishing to enjoy an exceptional mountain stay in complete serenity.

The chalet features 5 bedrooms and 5 bathrooms, comfortably accommodating up to 10 guests. Noble materials – wood, stone, and soft fabrics – create a warm and elegant atmosphere. Its vast cathedral-style living room, bathed in natural light thanks to large bay windows, is centered around a monumental stone fireplace. The sunlit terrace, opening onto the surrounding peaks, extends the convivial living space and invites guests to share memorable moments after a day on the slopes.
After skiing, relaxation takes center stage: the private spa at Chalet Sérénité is a true haven of well-being, featuring a blue mosaic-tiled jacuzzi, a hammam, and a sauna. An intimate retreat designed for rest and rejuvenation, where time seems to stand still.
