The property

Nestled in the heart of a private orchard with stunning views of thirteen picturesque villages extending to the Vanoise National Park and the majestic Grand Bec (3400m), it is a true haven of peace where nature and comfort blend harmoniously.

Comprised of two independent buildings, this luxurious estate, fully rebuilt in 2017 and renovated in 2024, can accommodate up to 12 guests across five elegant bedrooms, including two master suites, a family suite, and two king-size rooms. The entrance opens into a spacious living area with high ceilings, flooded with natural light through large east-facing panoramic windows. You will find a modern open-plan kitchen, relaxing spaces around a spectacular suspended fireplace, and a large solid oak dining table, perfect for convivial meals.

On the lower level, there is a refined lounge with a wood-burning stove, a cinema area, reading corners with board games, and a large terrace equipped with a Jacuzzi. The first master suite is also located on this level. Downstairs, four beautifully decorated bedrooms in various styles—Art Deco, Biedermeier, seasonal themes, or family passions—each have their own private bathroom.
