The property

Located on the edge of Megève, along the road connecting Praz-sur-Arly to the resort, Chalet Very enjoys a peaceful mountain setting just minutes from the village and nearby ski areas. It offers the perfect balance between easy access to Megève and the quieter atmosphere of its surroundings.

Mornings begin around the large dining table with mountain views in the background before heading out to explore the slopes. At the end of the day, everyone naturally gathers around the fireplace, sharing stories from the day's adventures in a warm and welcoming atmosphere.

Designed to accommodate up to 13 guests, the chalet offers generous living spaces ideal for family holidays and stays with friends. The lounge, dining room and open kitchen encourage time together, while the bedrooms provide comfort and privacy. Balconies extend the living areas and open onto the surrounding alpine landscape.

Combining the convenience of nearby Megève with the peaceful setting of Praz-sur-Arly, Chalet Very offers a relaxed way to experience the mountains throughout the year.
