The property

Overlooking Val d'Isère's legendary La Face piste, Chalet Victor enjoys a ski-in/ski-out location with panoramic mountain views. Its elevated position offers both direct access to the slopes and a quiet retreat close to the resort centre.

The 380 sqm chalet sleeps up to 14 guests in six en-suite bedrooms. The main living area features a five-metre cathedral ceiling, exposed beams, and floor-to-ceiling windows framing the mountains. A mezzanine with a TV corner overlooks the space, creating an open yet cosy atmosphere.

The wellness area includes an indoor pool, sauna, hammam, massage and yoga space, plus an outdoor jacuzzi. A private cinema room and a ski room with boot warmers complete the amenities. Covered parking for two cars is also provided.

At Chalet Victor, a day might start with a direct ski run down La Face, continue with lunch overlooking the peaks, and end with a soak in the jacuzzi or a film in the cinema. It's a rhythm that moves effortlessly from mountain adventure to relaxation, always with the peaks in view.
