The property

Blending traditional Alpine charm with refined contemporary design, this 480 m
four levels. The main living area, with high wooden ceilings and elegant K2-inspired décor, includes two lounges separated by a bar, a central stone fireplace, a dining space, and a modern kitchen opening onto a panoramic terrace.

The lower level is dedicated to relaxation, with a large indoor swimming pool equipped with jet stream and hydrotherapy features, a sauna, massage room, and even a home cinema integrated by the pool.

Five en-suite bedrooms combine warmth and sophistication, each with balcony access, luxurious stone bathrooms, and mountain views. Chalet Zenith offers access to the 5-star facilities of Le K2 Palace, including a world-class spa and two-Michelin-starred restaurant — the perfect blend of serenity, design, and ultimate comfort in Courchevel 1850.
