The property

In Courchevel 1650, Penthouse Astral occupies the eleventh floor of a residence just steps from the Ariondaz gondola and the shops of Moriond. A location that lets you reach the slopes in minutes on foot and enjoy restaurants, rental shops and ski schools without needing a car.

The 170 sqm penthouse sleeps up to eight in four bedrooms, each with its own bathroom. The open-plan living area, flooded with light through floor-to-ceiling windows, combines a lounge, dining table and fully equipped kitchen. A layout that makes group living easy while preserving everyone's privacy.

The private balcony extends the living space and offers an unobstructed view of the peaks. Two secure private garages remove parking hassles. The concierge can arrange transfers, breakfast, a private chef or ski rental, simplifying the organisation of your stay.

In the morning, have coffee facing the mountains before stepping out to the gondola. In the evening, cook in the kitchen or call in a private chef. A bright, quiet apartment where you feel both close to the action and at home.
