

Penthouse Astral

Courchevel, French Alps

8 Travelers • 4 bedrooms • 4 bathrooms

The property

It sleeps up to eight in four en-suite bedrooms, each with its own bathroom, offering privacy and comfort for families or friends traveling together. The interior blends luxe materials, high-quality linens, and calm, modern décor to create a serene mountain retreat. The heart of the home is the open-plan living area, flooded with Alpine light through floor-to-ceiling windows that frame sweeping vistas of snow-dusted peaks.

The living space flows into a stylish dining area and a fully equipped kitchen with gourmet appliances, ideal for everything from casual breakfasts to formal raclette dinners. A private balcony extends the living space outdoors, providing a perfect perch for morning coffee or sunset cocktails while taking in the mountain air. Practical touches include two private enclosed garages, ample bedroom storage, and on-demand concierge services with options such as airport transfers, breakfast delivery, private chefs, or ski fitting.

The location is unbeatable—steps from Courchevel 1650's shops, ski rentals, restaurants, a ski school, and the Ariondaz gondola lift. Ideal for families, multi-generational groups, or friends who value privacy and easy slope access for a memorable alpine retreat....
