

Villa Azur

Grimaud, French Riviera

14 Travelers • 7 bedrooms • 8 bathrooms

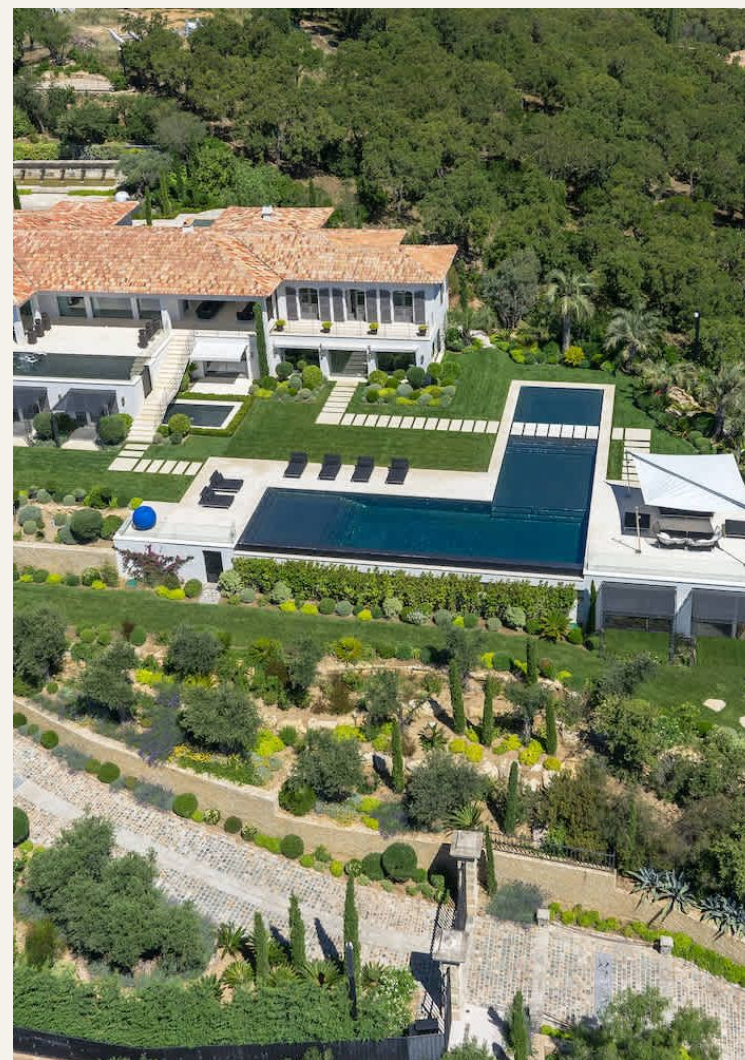

The property

Located in the hills above Grimaud, within a secure estate, Villa Azur overlooks the entire Gulf of Saint-Tropez with unobstructed views of the Gulf. The property also features a private helipad, making arrivals convenient. Designed by its owner, an architect, the villa showcases a structured and cohesive architectural approach.

Spanning 850 m², the villa is organized around spaces with contemporary lines, characterized by a dominant black-and-white color scheme and punctuated by distinctive elements, including a monumental fireplace at the center of a living room. A TV lounge features a ceiling sourced from a Belgian palace, paired with a recreation area that includes a pool table and a bar. The living areas also include an open kitchen and a wine cellar. The entertainment spaces extend to include a home theater and a game room. The property accommodates up to 14 guests thanks to 7 en-suite bedrooms, one of which is a separate suite. The property is equipped with a security and home automation system.

The 5,500 m² grounds feature a Mediterranean garden centered around an infinity pool facing the sea and the village of Saint-Tropez. A pétanque court completes the outdoor amenities.
