The property

Surrounded by vines, olive trees, and a 5,300 m garden, it offers a serene, nature-filled setting ideal for relaxation and togetherness.

The atmosphere is authentic, elegant, and decidedly warm. With seven bedrooms—five of which have en-suite bathrooms—the villa comfortably accommodates families or groups of friends. The spacious living room with open-plan kitchen, the bright lounge, the office, and leisure areas create a true home-like experience, indoors and out.

Outside, the art of living takes center stage: a heated pool bordered by olive trees, pétanque court, and a large outdoor dining table shaded by trees. High-end amenities include a Sonos audio system, fully equipped gym, TV room, ping-pong table, wine cellar, and parking for six cars.
